FLOW TECHNICAL SPECIFICATIONS

A - Monocasco em Polipropileno.
Polypropylene single shell.
Monocasco de polipropileno.
Coque en polypropylène.

OTHER OPTIONS

WITH ARMRESTS

WITHOUT ARMRESTS

STOOL SHELL

Monocasco em polipropileno resistente a raios UV (5 anos), também com opção de assento estofado ou totalmente estofado.

UV-resistant (5 years) polypropylene shell, also with the option of an upholstered seat or fully upholstered shell.

Monocasco de polipropileno resistente a los rayos UV (5 años), también con la opción de asiento tapizado o totalmente tapizado.

Coque en polypropylène résistant aux UV (5 ans), également avec l'option d'un siège tapissée ou entièrement tapissée.

B - Base 4 pés em polipropileno, resistente a raios UV (5 anos).

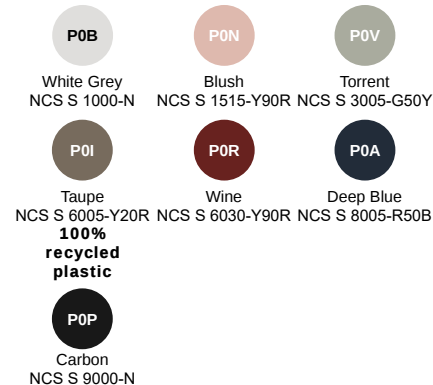

4-leg polypropylene base. UV resistant (5 years).

Base de polipropileno de 4 patas, resistente a los rayos UV (5 años).

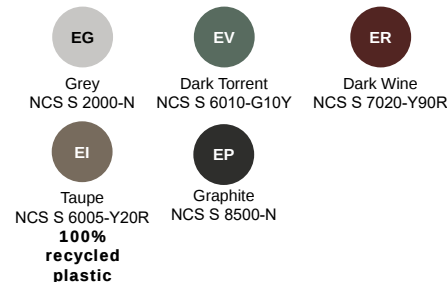

Base en polypropylène à 4 pieds, résistant aux UV (5 ans).

GARANTIA¹

WARRANTY² / GARANTÍA¹ / GARANTIE³

5 anos² / 5 years² / 5 años² / 5 ans²

¹Exclui revestimentos. / ²Excludes coatings. / ³No incluye los revestimientos. / ⁴Ne comprend pas les revêtements.

²No caso de consumidor final, aplica-se a legislação em vigor. / ²In the case of final consumer, the legislation in force applies. / ²En el caso de los consumidores finales, se aplica la legislación vigente. / ²Dans le cas des consommateurs finaux, la législation en vigueur s'applique.

³Disponível apenas na estrutura metálica 4 pés VINT. / ³Only available in VINT 4-foot metal frame. / ³Sólo disponible en estructura metálica VINT de 4 pies. / ³Disponible uniquement dans le cadre métallique VINT de 4 pieds.

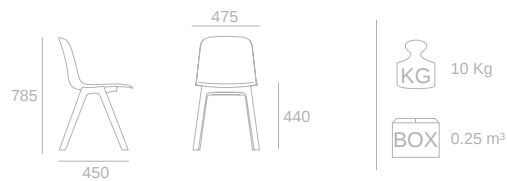

*Indisponível nas versões Soft. / *Not available in Soft versions. / *Non disponible en version Soft. / *No disponible en versiones Soft.

FLOW VERSIONS

FLOW-1

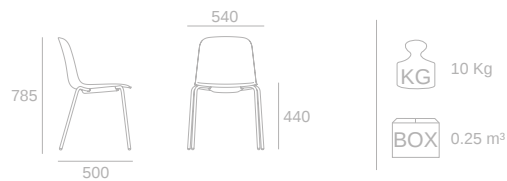

Base 4 pés em polipropileno.
4-leg polypropylene.
Base de 4 patas de polipropileno.
Base en polypropylène à 4 pieds.

FLOW-2

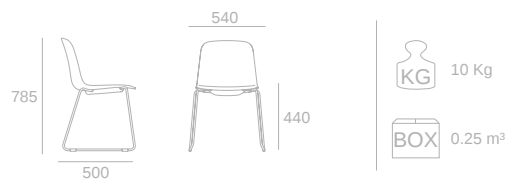

Estutura metálica 4 pés.
4-leg metal frame.
Estructura metálica 4 patas.
Piètement métallique 4 pieds.

FLOW-3

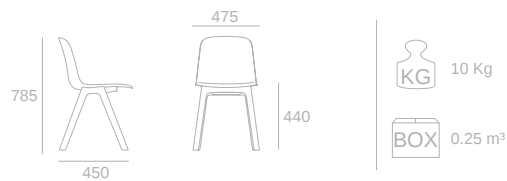

Estutura trenó.
Sled frame.
Estructura trineo.
Structure traineau.

FLOW-4

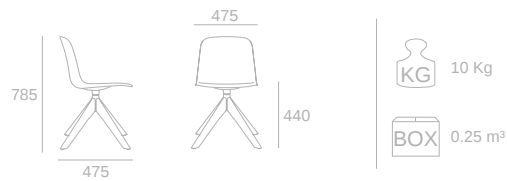

Estrutura 4 pés em madeira de faia.
4 beech wood leg frame.
Estructura 4 patas de madera de haya.
Structure 4 pieds en bois de hêtre.

FLOW-5

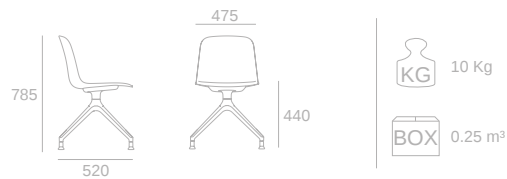

Base piramidal de madeira de faia.
Beech wood pyramidal base.
Base piramidal en madera de haya.
Piètement pyramidal en bois de hêtre.

FLOW-6

Base piramidal em poliamida.
Polyamide pyramidal base.
Base piramidal en poliamida.
Piètement pyramidal en polyamide.

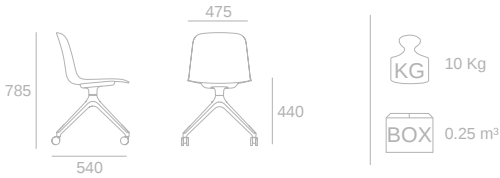

FLOW VERSIONS

FLOW-7

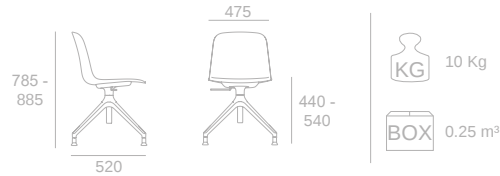

Base piramidal em poliamida com rodízios de Ø50 mm.
Polyamide pyramidal base version, with Ø50 mm casters.
Base piramidal en poliamida con ruedas de Ø50 mm.
Piètement pyramidal en polyamide avec roulettes de Ø50 mm.

FLOW-8

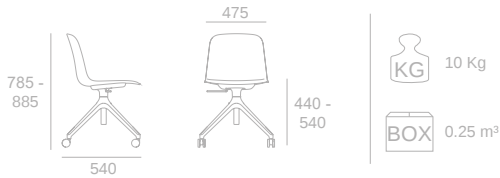

Base piramidal em poliamida com elevação a gás.
Height adjustable polyamide pyramidal base.
Base piramidal en poliamida con elevacion a gas.
Piètement pyramidal en polyamide avec élévation.

FLOW-9

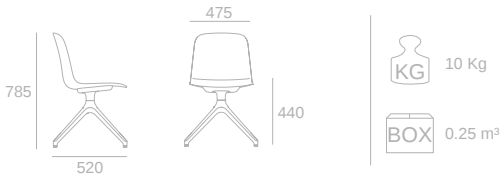

Base piramidal em poliamida com elevação a gás e rodízios de Ø50 mm.
Height adjustable polyamide pyramidal base with Ø50 mm casters.
Base piramidal de poliamida con elevador de gas y ruedas Ø50 mm.
Piètement pyramidal en polyamide avec réglable en hauteur avec roulettes de Ø50 mm.

FLOW-10

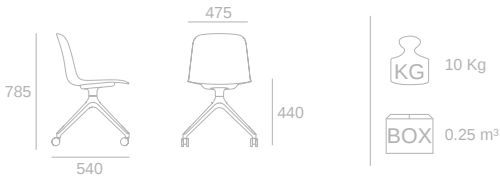

Base piramidal em alumínio.
Aluminium pyramidal base.
Base piramidal en aluminio.
Piètement pyramidal en aluminium.

FLOW-11

Base piramidal em alumínio com rodízios de Ø50 mm.
Aluminium pyramidal base version with Ø50 mm casters.
Base piramidal en aluminio con ruedas de Ø50 mm.
Piètement pyramidal en aluminium avec roulettes de Ø50 mm.

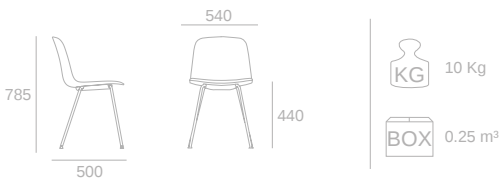

FLOW-25

NEW

Estrutura metálica 4 pés VINT.
4-leg VINT metal frame.
Estructura metálica VINT de patas.
Piètement métallique VINT de 4 pieds.

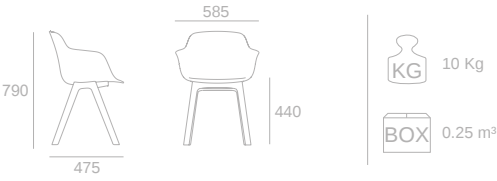

FLOW VERSIONS

FLOW-12

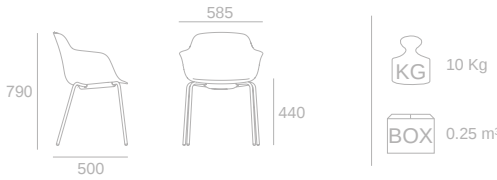

Base 4 pés em polipropileno.
4-leg polypropylene base.
Base de 4 patas de polipropileno.
Base en polypropylène à 4 pieds.

FLOW-13

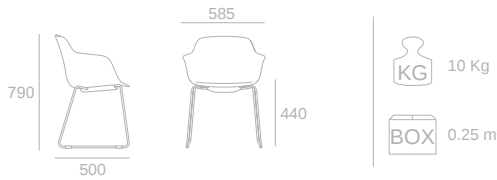

Estutura metálica 4 pés.
4-leg metal frame version.
Estructura metálica 4 patas.
Piètement métallique 4 pieds.

FLOW-14

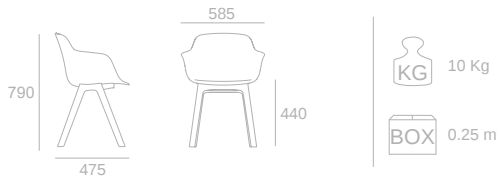

Estutura trenó.
Sled frame.
Con estructura trineo.
Structure traineau.

FLOW-15

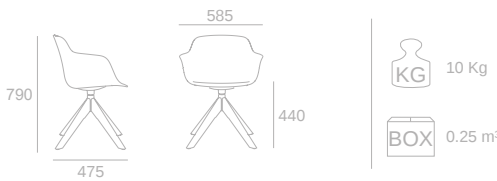

Estrutura 4 pés em madeira de faia.
4 beech wood leg frame.
Estructura 4 patas de madera de haya.
Structure 4 pieds en bois de hêtre.

FLOW-16

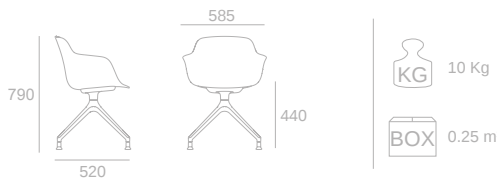

Base piramidal de madeira de faia.
Beech wood pyramidal base.
Base piramidal en madera de haya.
Piètement pyramidal en bois de hêtre.

FLOW-17

Base piramidal em poliamida.
Polyamide pyramidal base.
Base piramidal en poliamida.
Piètement pyramidal en polyamide.

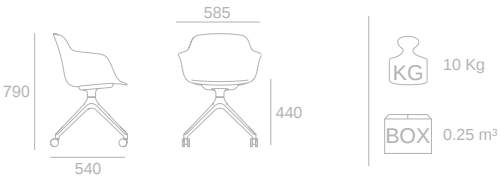

FLOW VERSIONS

FLOW-18

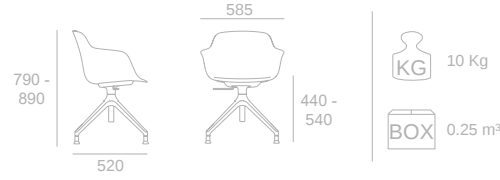

Base piramidal em poliamida com rodízios de Ø50 mm.
Polyamide pyramidal base with Ø50 mm casters.
Base piramidal en poliamida con ruedas de Ø50 mm.
Piètement pyramidal en polyamide avec roulettes de Ø50 mm.

FLOW-19

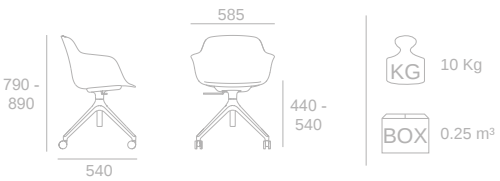

Base piramidal em poliamida com elevação a gás.
Height adjustable polyamide pyramidal base.
Base piramidal en poliamida con elevación a gas.
Piètement pyramidal en polyamide avec élévation.

FLOW-20

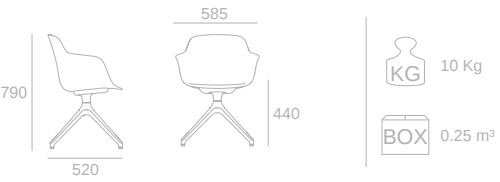

Base piramidal em poliamida com elevação a gás e rodízios de Ø50 mm.
Height adjustable polyamide pyramidal base with Ø50 mm casters.
Base piramidal de poliamida con elevación a gas y ruedas de Ø50 mm.
Piètement pyramidal en polyamide avec réglable en hauteur avec roulettes de Ø50 mm.

FLOW-21

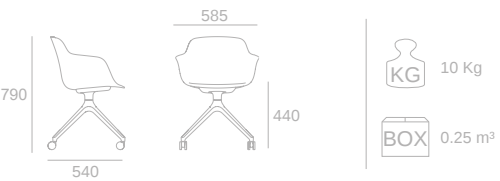

Base piramidal em alumínio.
Aluminium pyramidal base.
Base piramidal en aluminium.
Piètement pyramidal en aluminium.

FLOW-22

Base piramidal em alumínio com rodízios de Ø50 mm.
Aluminium pyramidal base with Ø50 mm casters.
Base piramidal en alumínio con ruedas de Ø50 mm.
Piètement pyramidal en aluminium avec roulettes de Ø50 mm.

FLOW-26

NEW

Estrutura metálica 4 pés VINT.
4-leg VINT metal frame.
Estructura metálica VINT de patas.
Piètement métallique VINT de 4 pieds.

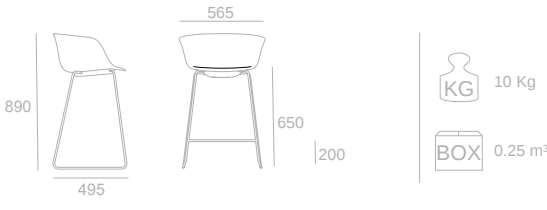

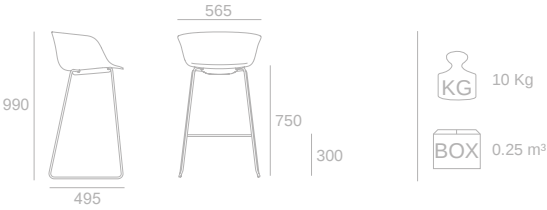

FLOW VERSIONS

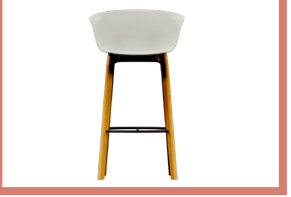

FLOW-23

Banco alto com estrutura trenó em varão de aço de Ø11 mm.
Ø11 mm steel rod sled frame high.
Banco alto con estructura trineo en varilla de acero de Ø11 mm.
Banc haut avec structure traineau en tige d'acier de Ø11 mm.

FLOW-24

Banco alto com estrutura 4 pés em madeira de faia, com
pousa-pés em tubo metálico de Ø14 mm.
4 leg beech wood structure high stool with Ø14 mm metal tube
footrest.
Banco alto con estructura de 4 patas de madera de haya, con
reposapiés de tubo metálico de Ø14 mm.
Banc haut avec piètement 4 pieds en bois de hêtre, avec
repose-pieds en tube métallique Ø14 mm.
